

June 30, 1926.

Mr. C. W. Sorensen,  
Mt. Pleasant, Utah.

Dear Sir;

I am in receipt of your letter of June 28 enclosing a check for \$31.66 as your pro rata of compensation of Mr. Jerman.

As this matter is handled through this office the check should have been made payable to the State Engineer but I assume there will be no difficulty in having Mr. Jerman indorse it over.

Yours very truly,

State Engineer.
